

Personal Data Regulation

When registering on the site <https://balticmini.ru> The User (an individual) decides to provide his personal data to the Administrator and agrees to their processing by the Administrator according to the principles, for the purposes and in the ways specified in this document (hereinafter referred to as the Personal Data Regulation).

If the User refuses to provide the requested personal data, registration on the Website is not performed.

The terms used in the Personal Data Regulation are interpreted in the meaning defined in the Offer https://balticmini.ru/src/Public/doc/oferta_mini.docx

1. General Provisions

1.1. The User grants the Administrator the right to perform actions on processing personal data using automation tools, including on the Internet, and without their use.

1.2. Such actions include collection, recording, systematization, accumulation, storage, clarification (updating, modification), extraction, use, transfer (distribution, provision, access), depersonalization, blocking, deletion and destruction of personal data.

1.3. The User agrees to ensure the accuracy, sufficiency, and, if necessary, the relevance of the Personal Data provided by the Administrator concerning the purposes of their processing.

2. The Processed Information Composition

The composition of the processed information includes:

2.1. Personal information provided by the User independently, including full name, phone number, E-mail, postal address, date of birth, and gender.

2.2. Technical and statistical information:

2.2.1. IP address of the User's computer location and time of access;

2.2.2. Information provided by the User's browser, including the type of device, browser version, operating system, data from the sending site, etc.

2.3. Information about the User's actions on the Website.

3. Personal Data Processing Purposes

3.1. The purpose of processing the User's personal data is the proper fulfilment of the Administrator's obligations to the User within the framework of the User Agreement concluded between the Administrator and the User.

3.2. The User agrees that the Administrator has the right to use his personal data for

3.2.1. transferring personal data to payment systems and payment intermediary organizations when making payments within the framework of the functionality and the Website;

3.2.2. implementing partner and other programmes related to the distribution of advertising information by e-mail, telephone and other possible means;

3.2.3. comparing personal information to confirm its accuracy and verification by third parties in cases provided for by law;

3.2.4. preventing cases of fraud and other abuses, just like to investigate such cases;

3.2.5. conducting statistical and other research based on depersonalized data;

3.2.6. disputing resolution, feedback collection and troubleshooting;

3.2.7. improving the Website quality, the convenience of its use and the development of new functionality.

4. Personal Data Processing Principles

The actions of the administrator are performed based on the following principles:

- 4.1. Legal and fair basis for the processing of personal data.
- 4.2. Processing of personal data according to specific, predetermined and legitimated purposes.
- 4.3. Preventing the merging of databases containing personal data, the processing of which is performed for purposes incompatible with each other.
- 4.4. Compliance of the content and volume of personal data with the stated purposes of processing.
- 4.5. Accuracy, sufficiency, relevance and reliability of personal data.
- 4.6. Legality of technical measures aimed at processing personal data.
- 4.7. Reasonableness and expediency of personal data processing.
- 4.8. Storage of personal data for no longer than required by the purposes of their processing or during the period of the User's consent.
- 4.9. The processed personal data is subject to destruction or depersonalization upon achievement of the processing goals or in case of loss of the need to achieve these goals.

5. Personal Data Processing

5.1. The Administrator processes personal data with the User's consent, both by his efforts and means and with the involvement of third parties.

5.2. The processing of the User's personal data begins from the moment they are received.

5.3. The collection of personal data is performed in the following ways:

5.3.1. The provision of personal data by their subjects when filling out the appropriate forms on the Website.

5.3.2. Automatic collection of User information using technologies and Websites: web protocols, cookies, and web tags triggered only when the User enters their data.

5.4. Storage and use of personal data:

5.4.1. The User's personal data is stored exclusively on properly protected electronic media and processed using automated systems, except in cases where non-automated processing of personal data is necessary according to the legislation of the Russian Federation.

5.4.2. When processing the User's personal data, the Administrator ensures the use of databases located on the territory of the Russian Federation.

5.4.3. The storage period of the User's personal data on the Administrator's server is 5 (five) years from their receipt date.

5.5. Transfer of personal data. The Administrator does not transfer personal data to third parties without the User's consent, except in cases where the information is publicly available or the transfer is performed:

5.5.1. To ensure compliance with the requirements of the legislation of the Russian Federation, to prevent and suppress illegal actions of the User and to protect the legitimate interests of the Administrator and third parties.

5.5.2. At the request of government agencies in compliance with the legislation of the Russian Federation.

5.5.3. To Service Providers to fulfil obligations under the relevant agreement, provided they comply with the conditions for processing personal data set out in the Personal Data Regulation.

5.6. Blocking of personal data. The Administrator reserves the right to temporarily stop processing personal data (except in cases where processing is necessary to clarify personal data).

5.7. Destruction of personal data. The User's personal data may be destroyed by the Administrator if:

5.7.1. the presence of a threat to the Website security;

- 5.7.2. violations of the provisions by the User Agreements;
- 5.7.3. at the request of the User, sent to the Administrator's email address.

6. Cookie Technology and Web Analytics Services

- 6.1. The Website uses Google web analytics services. Google Analytics and Yandex.Metric provided by the companies "Google" and LLC "Yandex" (hereinafter is the Services statistics).
- 6.2. Statistical services use the technology "cookies" – small text files placed on the User's computer to analyze their activity on the Website.
- 6.3. The information collected does not identify Users but improves the Website operation.
 - 6.3.1. The information collected by cookies is transmitted to Statistical Services and stored on servers in the EU and Russian Federation;
 - 6.3.2. Statistical Services process the collected information to evaluate the Website use, compile reports on the Website's activities, and provide other services.
- 6.4. Statistical Services processes the collected information according to the procedure established in the terms to use the relevant Statistical Services.
- 6.5. The User has the right to refuse the use of cookies by independently changing the settings in the browser.

7. User Rights

- 7.1. The User has the right to receive information about the processing of personal data about him, including information containing:
 - 7.1.1. confirmation of the processing of personal data;
 - 7.1.2. legal grounds for processing personal data;
 - 7.1.3. purposes and methods of personal data processing used by the Administrator;
 - 7.1.4. information about persons to whom personal data may be disclosed based on an agreement with the Administrator or according to the legislation of the Russian Federation;
 - 7.1.5. other information provided by the legislation of the Russian Federation.
- 7.2. The User may revoke consent to processing personal data by deleting his Account or writing to the Administrator by e-mail to: welcome@msacademy.ru
- 7.3. The Administrator deletes the User's personal data within 30 (thirty) business days from the notification receipt date.

8. Duties of the Administrator

According to the requirements of the Federal Law "On Personal Data", the Administrator is obliged to:

- 8.1. To provide the User, at his request, with information regarding processing his personal data or provide the User with a reasoned refusal.
- 8.2. Take measures necessary and sufficient to ensure the obligation fulfillment stipulated by the Federal Law "On Personal Data".
- 8.3. At the User's request, clarify the personal data being processed, block or delete if the personal data is incomplete, outdated, inaccurate, illegally obtained or is not necessary for the stated purpose of processing.
- 8.4. In case the User withdraws consent to the processing of personal data, stop processing them and destroy personal data within a period not exceeding thirty days from the date of receipt of the specified withdrawal, except in cases where processing can be continued according to the law.

9. Limitation of the Personal Data Regulation

9.1. The Personal Data Regulation applies exclusively to the Website and does not apply to other websites.

9.2. The User is obliged to take a reasonable and responsible approach to his/her personal data placement on the Website. The Administrator is not responsible for the actions of third parties who have gained access to the User's personal data through the latter fault.

10. Final Provisions

10.1. The text of the Regulation on Personal Data has been developed according to the current legislation of the Russian Federation on personal data.

10.2. The Administrator has the right to make changes to the text of the Personal Data Regulation. When making changes to the current version, the last update is indicated.

10.3. The Personal Data Statement is presented in Russian and can be provided to the User for review in English. In case of a discrepancy between the Russian version of the Personal Data Regulation and the version in another language, the provisions of the Russian version of the Personal Data Regulation apply.
